RE: Blackfoot Drought & Water Conservation Project

Dear Greg:

Congratulations once again that your RRGL grant application was successful. I would like to take this opportunity to introduce myself. I am Karl Christians and am a program specialist with the Conservation Districts Bureau within CARDD. I have been assigned to be your grant manager and contact within the DNRC.

I will need a few things to right away initiate the grant contract process. I will need an updated budget (with estimated RRGL monthly expenditures within the next 12 months), scope of work, implementation plan, and letters of commitment from any other funding sources that will be used on this project. I will begin working on a grant agreement. Once I receive the updated information from you, we can begin the contracting process. This process could take a couple weeks to complete.

Please keep in mind, prior to incurring any costs that need to be reimbursed from the grant, you need to enter into a grant agreement with the Department of Natural Resources and Conservation. The grant funds are now available (after July 1, 2007).

Please let me know if you have any questions. I can be reached at kchristians@mt.gov or 444-3022. I am looking forward to working with you on your project.

Sincerely,

Handwritten signature of Karl Christians in blue ink.
